

REDS WORLD SERIES VICTORS

GUN MAY BE VITAL CLUE IN MURDER CASE

Negro Suspect Taken From City for Safe Keeping.

IDENTIFICATION NOT SURE

Tillory's Stories Don't Agree; Weapon Secured of Mother.

C. L. Tillory, negro arrested last night suspected of being the murderer of J. M. Williams, street car conductor, has been taken to the state penitentiary at McAlester under a heavy guard of plainclothesmen. Chief of Police Jerry Smith announced at noon today.

Following several days of investigation by John Hubatka, chief of detectives, Tillory was arrested and has been declared by Mrs. W. L. Eby, white woman who was on the street car when Williams was shot down a week ago Tuesday, to resemble the negro strongly. It is also declared by Hubatka that a woman living near the scene of the murder has seen Tillory and says he looks like the murderer.

Gun Is Real Clue.

Tillory admitted to the police that he owned a gun which he turned over to his mother on the day of the shooting, but denied any connection with the killing of Williams, according to police.

A box of ammunition, said to have been owned by the negro has been discovered by the police, and the bullet which killed Williams has been recovered. An effort will be made this afternoon to ascertain whether the bullet which ended Williams' life, is of the same calibre as the cartridges discovered this morning.

Suspect a Taxi Driver.

Tillory has been living in the north part of Oklahoma City since the murder, with a negro servant, Hubatka says, and has been driving a taxi at different times through the main streets of the city. When arrested yesterday he had on working clothes and said that he is a plasterer by trade. The clothes with other garments found where he was staying have been taken by the police and will be held during the investigation.

"Everything so far points with a certain finger to Tillory as being the murderer," Chief Smith said, "even though the identification of George Cramer, a motorman on the street car when the shooting was done, does not in some instances agree with the testimony of other witnesses. He will be held in close confinement at McAlester while a thorough investigation is conducted here."

Stories Confict.

Chief Smith said that the negro gave several conflicting stories about himself when arrested but did not try to prove that he had not been in the city the day of the murder. He has a wife and five children but has been separated from them for a long time, the chief said.

While police officers and citizen posses have been combing the thickets near Jones trying to catch Dave Fletcher, a Texas negro suspected of the crime, Hubatka has been carrying on an extensive investigation in Oklahoma City which resulted in the arrest of the negro yesterday.

Arrest Kept Secret.

Hubatka traced the negro from the scene of the murder to a two-story rooming house only a few blocks away where it is thought he stayed all day Tuesday making his escape to the north end of the city Tuesday night.

Fletcher will be brought to Oklahoma City from Valley View, Texas, where he was arrested yesterday, and examined through Hubatka's insinuations that he is not the murderer.

The arrest of Tillory was kept a secret from the police officers themselves by Chief Smith and Hubatka while they rushed their preliminary investigations and hurried the prisoner to McAlester.

County Hunts For "Pink Lady"

Identification of the negro taxicab driver held for the murder of J. M. Williams, street car conductor, made on "the woman in pink," who was getting off the car at the time the shooting occurred, according to Robert Burns, county attorney.

A woman in pink, whose name the county attorney has never learned started to get off the car and the negro moved to the steps ahead of her. Williams stopped the negro and told him to wait until the woman had gotten off the car.

The negro then argued with the conductor, struck him and shot him.

War Hero Sues Wife For Divorce

Famous Princess Pat Survivor Says His Helpmate Turned Objector.

Alleging that while he was in France fighting, his wife became a "conscientious objector" and a leader of a cult or religious sect opposed to the cause of the allies, Jack Lingwood, a member of the famous Princess Pat regiment of Canada, today filed suit in district court for divorce from Charlotte Lingwood.

Wounded seven times and gassed, on his return to Winnipeg, Canada, he found, he alleges, that his wife was a leader of a cult strongly against the war and in thought, feeling and action against the cause of the allies as well as against the individual soldiers who participated in the war for the allies.

Gave Him No Sympathy.

She said he was not to be pitied, he alleges, nor sympathized with, as all of his physical suffering was brought on by himself, his going to war being his own fault because he had volunteered.

He says he volunteered in the Princess Pat regiment August 4, 1915 and served three years overseas.

While he was in France, the courts of Canada ordered his home searched for books and literature of an unpatriotic nature because of his wife's leadership in the cult opposed to the war, he says in the petition.

Three Children in Family.

His wife's brother who made his home with the Lingwoods was also a member of the cult and a conscientious objector, he says; and although he was tried, convicted and sentenced to imprisonment by Canadian courts, his wife harbored him in their home, Lingwood alleges.

Her actions so destroyed his peace of mind that he came to Oklahoma during the summer of 1918 and has lived here ever since.

"They have three children and were married in 1909 at Winnipeg, Canada."

NOSKE ORDERS BISCHOF FOR COURT-MARTIAL

LONDON, Oct. 9.—Gustave Noske, German minister of defense, has decided to court-martial General Bischof, commander of the Iron division in the Baltic provinces, for telling his troops to disobey the Allies' order to withdraw, said a News Agency dispatch from Berlin this afternoon.

EPISCOPALIANS SEND SYMPATHY TO WILSON

DETROIT, Oct. 9.—Adopting resolutions of sympathy with President Wilson in his illness, the house of deputies of the triennial general conference of the Protestant Episcopal church, which opened its meetings yesterday, expressed the hope for his speedy recovery. The resolutions will be sent to the house of bishops today.

DAYTON MAYOR TO SPEAK HERE SOON

D. F. Garland, director of the public welfare department of Dayton, Ohio, and former mayor of that city, will be a speaker at a future Chamber of Commerce forum luncheon, it was announced this morning. Garland has written the Chamber that he would be unable to get here November 10, the date he was invited to speak, but will be available at a later date, he says.

WORK ON 1920 BUDGET DUE IN TWO MONTHS

The possibility of work being started on the city budget for next year before the budget for this year is fully determined looms larger as the discussion goes on in the city hall. Work on the budget for 1920 will be started about the first of the year and with the prospect of a fight in the courts on this year's budget it is possible that 1919 will pass before the problem is solved.

NEWSBOYS PAY Y. M. C. A. FIVE CENTS EACH WEEK

Two hundred and forty Oklahoma City newsboys are members of the Y. M. C. A. The boys pay their membership fees of one dollar in five cents a week installments. The boys are divided into eight gymnasium teams, which are "house of clubs. Each club has its officers, committees, socials and hikes. In the senior class are boys from 12 to 16 years old, and in the junior, boys from 8 to 11. Friday night the newsboys will have a hike and "wienie" roast, with H. O. Thurston as leader.

PARLEY ASKS LABOR TRUCE OF 3 MONTHS

Strikes Would Be Suspended by Conference Proposal.

GOMPERS HAS SOLUTION

Head of A. F. of L. Asks Action to End Steel Troubles.

WASHINGTON, Oct. 9.—A national labor truce to continue three months was proposed in a resolution offered at the industrial conference today by Bernard Baruch, chairman of the delegates representing the public. All strikes and lockouts would terminate immediately.

Bernard M. Baruch, chairman of the public group, made the proposal for the industrial truce, while Samuel Gompers, president of the American Federation of Labor and chairman of the labor group, proposed arbitration of the steel strike.

Mr. Gompers' plan contemplated immediate return of the steel strikers to work pending the outcome of efforts to arbitrate the dispute.

Gavin McNab of San Francisco, proposed a permanent arbitration board, his resolution, which had the approval of the public group, providing that all living ex-presidents be members.

Mr. Gompers' board for arbitration of the steel strike would be composed of six members, two to be appointed by each of the three groups in the conference—capital, labor and the public.

"Labor's proposition," as presented today includes:

1. The right of wage earners to organize.

2. The right of collective bargaining.

3. The right of wage earners to be represented by representatives of their own choosing.

4. Free speech, free press and free assembly.

5. The right of employees to organize for collective bargaining.

6. An eight-hour day, six-day week and encouragement of Saturday half-holiday. Overtime to be discouraged and when necessary paid for at the rate of not less than time and a half.

7. The right of all wage earners to a living wage.

8. Women to receive same pay as men for equal work performed and not to work tending to impair their potential motherhood.

9. Children under 16 not to be permitted to labor.

10. Establishment by agreement of a national conference board consisting of equal representatives of employers and employees for consideration of the subjects affecting the progress and well being of the trade, to promote efficiency of production and safeguard the rights of all within the industry.

11. All immigration into the United States to be prohibited for at least two years.

ANTI-STRIKE ACT WILL BE PASSED, WATSON SAYS

Senator Says Labor Opposition Will Not Hamper It.

WASHINGTON, Oct. 9.—While the industrial conference was attempting to settle labor policies today, the senate was preparing to fight against the right which organized labor has announced it will never relinquish—the right to strike.

The anti-strike provisions in the Cummins railroad bill, which would prevent a strike of railroad workers, will pass the senate and will not be stricken out despite the protests of Warren Stone of the railroad brotherhoods and Samuel Gompers of the American Federation of Labor, Senator Watson of Indiana, said today.

The bill with the anti-strike provision will be reported to the senate next week.

Senator Watson expressed an opinion that the anti-strike provision would be somewhat modified so that it would provide for compulsory arbitration among railroad workers and would make strikes a crime only after the government arbitrators have rendered a decision.

"Congress has the constitutional power to regulate commerce," Senator Watson said, in answer to the charges of labor leaders that anti-strike provisions are unconstitutional.

The modified anti-strike provision will "wield the desired moral effect without making it necessary to use force," he added.

Author Is Honored.

PARIS, Oct. 9.—Eugene Brieux, member of the French academy and author of "Damaged Goods," was promoted yesterday to commander of the legion of honor for the exceptional services rendered to humanity while he was president of the Franco-American relief fund.

U. S. Army Recruiting Staff Off for New York

Here is a group of army officials, who have been selected to reorganize the recruiting system of the United States, and who, because of the wonderful showing made by Oklahoma in getting new recruits, visited Oklahoma City to study the local method and incidentally honored the city by selecting it as their first in their tour of the country. Reading from left to right are: Col. W. R. Sample, formerly brigadier-general during the war; Col. E. V. Smith, fifty-seventh infantry, sixty-sixth brigade; Col. W. L. Kealy, formerly major-general, director of military aeronautics; Col. M. D. Cronin, formerly brigadier-general, eighty-second division, one hundred and sixty-third regiment; Col. C. H. Martin, formerly major-general in charge of the Ninetieth division; Col. Reuben Smith, Three Hundred and Seventh infantry; Major L. L. Lawson, formerly brigadier-general, in charge of the school of fire at Fort Sill; and Lieut. Col. H. J. Weeks, Six Hundred and Sixth engineers, sixth army corps. They will leave for New York tomorrow.

PAMPLIN GETS THREE MONTHS FOR FIRING SHOT

Horse Trainer Says He Was Acting as Cop for Walton.

R. C. Pamplin, was found guilty by the jury in county court and given 120 days in jail and \$150 fine. He gave notice of appeal to the district court.

R. C. Pamplin, charged with the murder of Lynn Crane, June 22 at Fourth street and Broadway, who was tried in county court this morning on a charge of firing a pistol near the Victoria hotel July 13 said he was an acting policeman by authority of Mayor Walton though he admitted he did not know whether he had a police commission at the time he was alleged to have fired the pistol.

Horse Training His Job.

He said he had been acting as trainer for the mounted police horses. When asked if he had ever had a police commission he said he would rather not answer as it had a bearing on another case.

Pamplin said he was working on the police force under J. Garrison Kitchens and spent most of his time on dope cases and on speeders. It was while arresting an alleged speeder that he is said to have fired the shot which glanced from the street killed Lynn Crane.

Actress in the Party.

Harry Garrison, Duffley Clenton and Claud Scrivner, who were arrested on charges of being drunk near the Victoria hotel the night Pamplin was shot, were in the party.

Aviators Rescued After Falling Into Lake Erie

Lieutenant Maynard Leading Field in Big Race; Weather Conditions Hamper Speed of Fliers From East.

CLEVELAND, Ohio, Oct. 9.—A spectacular rescue of Second Lieutenant T. K. Maynard, three miles out in Lake Erie, by the Canadian steamship Fairfax, featured the battle waged with the elements by nine aviators in the trans-continental air derby who started from Buffalo this morning for Cleveland.

After Lieutenants Hynes and Matthews had been given up as lost by air officials at the Martin field here, the wireless brought the news that the steamer Fairfax had picked up the aviators three miles off Ashabula when they were forced down by the intensity of the storm.

The wireless message said that the lake was very rough and that the aviators were in grave danger when rescued. An effort was being made to salvage the plane, the message said, but on account of the roughness of the water it was feared that it would be impossible to save it.

At 9:59 o'clock Lieutenant Newman, No. 108, arrived at Martin field after a wild flight which had taken him all the way across the lake to Canada and back again. When he finally made the landing here every drop of gasoline in his tanks was exhausted and for the last few miles his plane was driven by the wind.

Lieutenant Pearson and Captain Donaldson reached Martin field earlier in the morning, both reporting rough voyages.

Another of the nine planes leaving Buffalo made a forced landing at spot 147 on the New York Central east of here, neither aviator nor passenger being injured.

Four more planes were reported down in the vicinity of Erie, Pa., in dispatches received at the local control but no details were given.

CHICAGO, Oct. 9.—After a first order to cease flying Captain Hoag, commander at Ashburn field, has sent a message to Bryan field, Ohio, to start all west-bound airplanes from this point as soon as they are ready when weather conditions in Chicago had sufficiently improved to make flying safe.

LONDON, Oct. 9.—An attempt was made to assassinate General James Harbord, chief of the American mission to the Caucasus but it was unsuccessful, the war office announced today.

Two shots were fired at General Harbord and his chauffeur; he was wounded. The attempt was made on September 29.

CONGRESS BALLOTS GO OUT MONDAY

Distribution of ballots for the special congressional election in the Fifth district on October 18 will be started Monday, it was announced this morning at the office of the state election board. Printing of the ballots and other supplies is now in progress.

It was estimated by election officials this morning that not more than 100 new voters were added to the voting rolls of the district during the ten-day supplemental registration, which ended Tuesday. This estimate is based upon reports from registrars in various parts of the district.

Practically all of the women voters in the district registered prior to the special road bond election in April.

LOCAL FORECAST—Cloudy and unsettled and colder weather tonight and Friday, with probably rain.

Swatfest Drives Williams Out, Sox Hits Didn't Tally

COMISKEY PARK, CHICAGO, Oct. 9.—Chicago's hopes of evening up the series went glimmering in the fatal first inning when "Lefty" Williams blew up sky high. Daubert singled for the Reds. Groh followed him with a single. Roush hit for a double, scoring Daubert and putting Groh on third. Duncan doubled, scoring Groh and Roush. "Big Bill" James took over the hurling job.

James couldn't locate the plate and walked Kopf, Duncan holding second. Rariden hit over first for single, scoring Duncan. Eller ended inning by short fly to Felsch.

In the Chicago end of the third Jackson connected squarely with the pill and while the spectators yelled frantically the ball sailed over the fence for a home run. It was the record wallop of the series.

Despite two hits by the Reds, the fourth inning the Sox held. Eller's mates gathered out from pop flies and grounders.

Kopf connected solidly for a triple to right and Neale brought him in on a single. The fifth ended: Cincinnati 6, Chicago 1.

The sixth was a terrible slaughter. James was taken from the mound early in the inning and Wilkinson made a poor substitute. James had walked Rath and had already let Eller single. Daubert bunted off Wilkinson and filled the bases. Roush singled bringing in Eller and Rath. Duncan singled, scoring Daubert. Every Red batsman had made a hit by the time the sixth closed.

The first out. Eller was hit by the first pitched ball and trotted to first. Rath singled and scored. "Big Bill" James took over the hurling job. Daubert singled to center and Eller was caught at the plate when Leibold made a wonderful throw to Schalk. Rath reached third and Daubert took second on the throw to the plate.

Groh up. No runs, two hits, no errors. CHICAGO: Gandil up, Gandil held. No runs, two hits, no errors. CINCINNATI: Rath singled to center, it was a line drive that Leibold made a great effort and could not quite reach before it touched the ground. Groh singled to right. It was a short hit that Weaver's head and Jackson fielded in the extreme left field corner. It was enough for Williams and "Big Bill" James went into the box for the seventh.

James could not locate the plate properly and walked Kopf. Duncan retained second. Rariden lifted a Texas leaguer over first base, scoring Duncan, and putting Kopf on third. Rariden made second. Eller ended the inning by flying out to Felsch.

Four runs, five hits, no errors. CHICAGO: Leibold started for the Sox with a clean single to left that Duncan fielded fast and prevented him from stretching it into a double. Ed Collins doubled to left through Duncan reaching second. Leibold to third.

Weaver fanned. Jackson lifted a puny fly that Kopf captured in back of third. Leibold hooked third and Ed Collins doubled to left.

The Sox hit Eller hard at the beginning of their batting, but he tightened up on the third man and pitched him out of a bad hole.

No runs, two hits, no errors. SECOND INNING, Cincinnati. Rath struck out.

Daubert filed out to Jackson, who got the ball after a short run. Groh singled to Gandil. Groh turned in an ankle when he stepped on first base and play was delayed for a few minutes, but he resumed and took his position at first base.

Roush doubled to left field, scoring Groh on the hit, but Roush was caught between second and third when Leibold threw to Felsch and in the run-down Schalk and Weaver got assists while Ed Collins finally put the ball on him. One run, two hits, no errors.

CHICAGO: Gandil filed to Daubert. Eller had trouble locating the plate and walked Rariden. Rariden dropped Schalk's high foul and was given an error. Schalk singled to left.

Duncan came in fast, but the ball hit the ground first, Rariden reaching second. James hit a high foul to Groh and rather base runner advanced.

Leibold struck out, taking a healthy swing at the last one and hitting only atmosphere.

No runs, one hit, one error. THIRD INNING, Cincinnati. Weaver took third on a high bouncer and threw him out at first.

Weaver came over fast, getting Kopf's grounder and throwing to Gandil for the putout.

Neale walked. Rariden up. Neale was caught stealing. Schalk to Ed Collins. No runs, no hits, no errors.

CHICAGO: Ed Collins line filed to Duncan. Duncan hoisted a high fly that Rath made a circus catch of, going back and barely getting it.

The outfield moved back for Jackson and he put one into the right field bleachers for a home run. It was the longest hit made during the series in the park.

Neale, who was playing deep backed up to the fence and waited for the ball to go over his head.

Kopf took Felsch's grounder and tossed to Daubert for the third out. One run, one hit, no errors.

FOURTH INNING, Cincinnati. Rariden hoisted a high fly that Rath made a circus catch of, going back and barely getting it.

Neale, who was playing deep backed up to the fence and waited for the ball to go over his head.

Kopf took Felsch's grounder and tossed to Daubert for the third out. One run, one hit, no errors.

FOURTH INNING, Cincinnati. Rariden hoisted a high fly that Rath made a circus catch of, going back and barely getting it.

Neale, who was playing deep backed up to the fence and waited for the ball to go over his head.

Kopf took Felsch's grounder and tossed to Daubert for the third out. One run, one hit, no errors.

FOURTH INNING, Cincinnati. Rariden hoisted a high fly that Rath made a circus catch of, going back and barely getting it.

Neale, who was playing deep backed up to the fence and waited for the ball to go over his head.

Kopf took Felsch's grounder and tossed to Daubert for the third out. One run, one hit, no errors.
